“Partnering with our community to promote education, conservation, and community services.”
A MESSAGE FROM THE EXECUTIVE DIRECTOR

The Yellowstone Club Community Foundation is proud to partner with local nonprofit organizations working together to build a healthy developing community.

We work through local groups so that they can set priorities and target resources to meet the community’s most pressing needs and support special programs and projects.

Through direct giving and our annual fundraising events, Yellowstone Club members, friends, and community leaders are working together to address community needs and create a bright future.

Together we are making a difference.

Sincerely,

K. Casey Schwartz,
Executive Director
The Foundation

- was established in 2010
- awards grants twice a year to local nonprofit organizations in the areas of arts, education, conservation, and community services
- sponsors two student scholarships
- hosts three major fundraising events
- is governed by a Board of Directors comprised of Yellowstone Club members

Since 2010, the Foundation has awarded more than $2.5 million to local nonprofit organizations:
- $276,000 has been awarded for environmental conservation efforts,
- $1.36 million has been directed toward community programs and the arts, and
- $1.126 million has targeted expansion of educational opportunities

The Foundation awards two annual scholarships:
- The $5,000 Big Bald Dave Adventure Scholarship invites children in the Big Sky community to pursue an adventure in outdoor learning and community service.
- The $10,000 Corey C. Griffin Scholarship is awarded annually to a local student whose life most closely fits with Corey's life philosophy and "never-quit" attitude.
With our partners, we are

• alleviating childhood hunger
• enhancing educational, after school, and recreational offerings
• bringing world-class arts and cultural opportunities and programming to our community
• extending support to traumatized veterans, people with disabilities, and children with cancer, and
• conserving and protecting the magnificent natural environment that has drawn us all here

FUNDRAISING EVENTS

The Foundation hosts three major fundraising events each year.

Tom Weiskopf Cup
Our 6th annual golf tournament and silent auction again demonstrated the strong partnership of the Yellowstone Club with the greater Big Sky business community.

Wine & Song
Held each March, our winter fundraiser features a world-class musician or performer. This year’s headliner was Lyle Lovett.
